SAILING
50th Mobjack National Championship
Ware River Yacht Club Gloucester, VA

Sunday August 23, 2009 marked the final day of the 50th Mobjack Nationals which consisted of three races, for a total of nine for the regatta, the most races ever completed in a Mobjack Nationals ever, in spite of coming in early on Saturday to avoid the storm. Racing took place over three days at the mouth of the Ware River where it joins the Mobjack Bay on Ware Neck near Gloucester, VA. Mark Arnold, with his friend and longtime crew Matt Frank of Chesapeake, VA won the National Championship with a total of 13 points. This was the 5th time for Mark and Matt together and the 10th time for Mark. In second place was Len Guenther, the defending National Champion sailing with his daughter Heidi of Alexandria, VA, followed by Case Whittemore of Williamsburg, VA sailing with Ken Sears of Richmond. In Forth place was Jim Rice with crew Pete Wallio of Newport News. In Fifth Place was Jerry Desvernine of Glen Allen, VA with crew Josh Guenther of Alexandria. Case Whittemore of Williamsburg, VA was named the Senior National Champion. The racers enjoyed four races on Friday in strong winds with plenty of capsizes and broken gear. Saturday gave perfect wind for the light boats and the competition intensified. A Reunion Long Distance race was scheduled for Saturday afternoon, however impending storms kept us in and we watched it go by from the comfort of the club house. A Reunion Dinner was held at the Ware River Yacht Club bringing several long time Mobjackers out, including the designer, Roger Moorman who is now 87. The regatta was led by Principle Race Officer John Ritter of Langley Yacht Club assisted by Rick Klein, Richard Biggs, Pat Williams, Robert Bowles, Blackwell Nottingham, Mike Dale and Robert Anderson served on the Race Committee. The races consisted of a mixture of Triangle and Windward-Leeward courses with each leg approximately $\frac{3}{4}$ mile or more in length. 18 boats competed in nine races over the three day regatta in spite of losing Saturday afternoon to a storm. Awards were notable in that they were original prints made and signed by Meg Roberts of the Mobjack hull plans in attractive colors. Meg, immediate past president of the Mobjack Association, recently graduated summa cum laud from VCU with a bachelor in Fine Arts.

Ware River Yacht Club brought the Mobjacks and their 50th National Championship Regatta back to the Mobjack Bay and home of the designer, Roger Moorman. Eighteen boats competed in the three day regatta. The Chesapeake Bay Yacht Racing Association sanctioned the regattas.

The Mobjack is a seventeen-foot sloop-rigged sailboat, with a jib, mainsail and spinnaker crewed by two or three sailors. The boat is rigged with a trapeze for balance and a roller furling jib. It is self-bailing and easily rightable in a capsize. Over 500 of the fiberglass boats have been built and are raced throughout the Chesapeake Bay and on the Delaware Bay. They are also sailed on the lakes and shores of Tennessee, Wisconsin, California, Texas, Florida, Indiana, Michigan, Utah, New Jersey and New York. The boat is used for racing, day sailing or cruising and sailing instruction, by sailors of all ages. At this Nationals the youngest skipper was 22 and the oldest was 68 (he finished eighth!). It is often sailed and raced by family teams, including husband and wife teams. The boat was designed by Roger Moorman of Gloucester, VA in the 1950s when it was one of the first fiberglass reinforced plastic boats made. The boat has been built in Gloucester by Moorman, Browning Arms, Harry Sindle at Newport Boats and is now back in production by Miles Booth of Gloucester and Performance Yachts. New boats are available and there will is special 50th Anniversary Edition.
